*Jakie są różnice w napisach na grobach dzieci i osób dorosłych? Próba językowego opisu wybranych inskrypcji*

*Lexical analysis of tombstone inscriptions*

**Słowa kluczowe:** inskrypcje; emocje; groby; śmierć; Bóg

**Keywords:** inscriptions; emotions; graves; death; God

### **Summary**

The article discusses the vocabulary of tombstone inscriptions. The data has been collected in cemeteries in Wrocław and the surrounding area. We analyzed nearly 100 inscriptions, taking into account the differences between the inscriptions located on the graves of children and adults. The article systematizes the collected material in order to formulate generalizations.
